NARRATIVE:

Larry Reed has an extensive adult criminal history that began at the age of 20. His convictions include battery, assault, domestic violence, terrorist threats, violation of protection order, felon in possession of a firearm, evading a peace officer, vehicle theft, possession of controlled substances, false ID to a peace officer, felon in possession of a stun gun and auto theft. He has served multiple state prison terms, the longest being a 2 year term for auto theft. Reed was released from state prison to the supervision of the Los Angeles County Probation Department on September 9, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September, 2016 after he absconded from post release community supervision (PRCS). Reed qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for auto theft is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
